DRUG COURT  
CITY OF GARY  
AUDIT RESULT AND COMMENT

DRUG TESTING RECEIPTS

As stated in the prior report, the Drug Court currently offers drug testing to those individuals ordered by the court to undergo testing, randomly to individuals serving probation, and on an as needed basis to local entities. The fee currently being charged by the Drug Court is \$10 for those ordered by the drug court and the fee should be at cost.

IC 12-23-14.5-3(a) states: "Except as provided in subsection (b), a drug court established under this chapter and accompanying services are open only to individuals over whom the court that established the drug court has jurisdiction."

IC 12-23-14.5-16 states: "(a) As a condition of participation in a drug court, a participant may be required to undergo a chemical test or a series of chemical tests as specified by the court. A participant is liable for costs of all chemical tests required under this section, regardless of whether the costs are paid to the court or the laboratory."
