

NOTICE TO RESIDENTS OF THE CITY OF GARY, INDIANA AND ALL OTHER INTERESTED PERSONS OF AN INFORMATIONAL MEETING BY FULCRUM CENTERPOINT, LLC CONCERNING ITS PROPOSED RENEWABLE FUELS PROJECT IN SAID CITY

Residents of the City of Gary, Indiana (the “City”), and all other interested persons, are hereby notified that Fulcrum Centerpoint, LLC (“Fulcrum”) is considering the construction, installation and equipping of a facility that will produce renewable transportation fuel in the City, to be located in the Buffington Harbor area. The facility will convert approximately 700,000 tons per year of process engineered feedstock (manufactured elsewhere from municipal solid waste) into approximately 33,000,000 gallons per year of transportation fuels (the “Renewable Fuels Project”). On November 3, 2021 at the hour of 5:30 p.m., Central Standard Time, Fulcrum will hold a public informational meeting to present information relating to the Renewable Fuels Project and obtain the views of residents of the City and any other interested parties with respect thereto. At the public informational meeting, Fulcrum will hear all persons interested in the proposed proceedings. The meeting will be conducted virtually via Zoom videoconference through the following link which may be accessed by interested persons that want to observe and/or participate in the meeting: <https://us06web.zoom.us/j/87346700974>.

Dated this 22nd day of October, 2021.
