

City of Gary BROWNFIELDS CLEANUP GRANT 2023

NOVEMBER 17, 2022 @ 4:00pm

Figure 1: City United Methodist Church - 2017

SCOPE

The City of Gary is applying for a Brownfields Clean up Grant from the US Environmental Protection Agency (EPA) in the amount of \$400,000 to remove the identified environmental impediments at the City United Methodist Church. In 2012, the environmental assessments were completed to determine the existence of hazardous materials on site.

GOAL

This proposed brownfields cleanup project serves to support continuous revitalization by remediating hazardous materials from the City United Methodist Church and to make the site safer in the Downtown area.

OBJECTIVE

To remove environmental health and safety concerns at the site by dewatering the lower level and removing Asbestos Containing Materials(ACM) from among the existing building ruins so that redevelopment can begin.

The City of Gary welcomes your feedback regarding this important community initiative, so please let us know your thoughts by using the survey link or attending the virtual meeting. A virtual community meeting will be held on **November 17th at 4pm** to discuss project details. To register, contact Reanell Bradley at (219) 882-3000 ext. 16777 or ReBradley@gary.gov.
